

# Financial Aid & STUDENT AWARDS

## SCHOLARSHIPS, AWARDS, AND BURSARIES

The College of New Caledonia offers scholarships, awards, and bursaries to recognize academic achievement and to provide financial assistance to those in need who maintain satisfactory academic status. The Financial Aid Catalogue, available after September 1 at the Financial Aid and Student Awards Office (located in the main entrance building on the ground floor) and the regional campuses, provides complete information on all financial awards. Below is a listing of awards currently administered by CNC; information with regard to other awards from external agencies is also available.

**Award recipients are expected to attend the award presentation ceremonies held in the Spring, to receive their awards.** Failure to attend without a legitimate excuse may result in the withdrawal of the scholarship, award, or bursary.

**STUDENT LOANS**

The Financial Aid Catalogue is the most comprehensive source of information on student loans. Students are advised to submit their loan applications well in advance of their programme start date to allow for processing, which can take up to six weeks. The British Columbia Student Assistance Programme (BCSAP) was established to supplement financial resources for post-secondary education. Awards are provided to students based on calculated financial need. The Ministry of Advanced Education establishes financial need from the information provided in the student loan application. BCSAP allows for a modest student lifestyle and does have a ceiling on the level of available assistance.

## REQUIREMENTS FOR LOAN ASSISTANCE

To be eligible for a BC Student Assistance Program loan, a student must:

1. Be a Canadian citizen or a landed immigrant and a permanent resident of British Columbia twelve months before starting school
2. Possess a valid social insurance number
3. Maintain a specified course load in a full-time programme for credit at an eligible post-secondary institution and work towards a certificate, diploma, or degree
4. Establish financial need by a standard BCSAP assessment of total costs, less student resources
5. Complete an application from the Financial Aid Office at the College of New Caledonia, to be forwarded to the Ministry of Advanced Education
6. Accept responsibility to read the information on all documents upon acceptance of BCSAP funds
7. Inform the bank or National Student Loan Centre of any changes and provide proof of ongoing full-time student status

Default on payments of student loans bears serious consequences. If you encounter difficulties contact your bank or the National Student Loan Centre or the CNC Financial Aid Office for information.

**English 155 and Math 155 are not eligible to be included in the course load requirement for student loan programmes.**

Further explanation of programme course loads may be provided by the Financial Aid and Student Awards Office.

## ADULT BASIC EDUCATION STUDENT ASSISTANCE PROGRAM

The Adult Basic Education Student Assistance Program (ABESAP) provides funding for:

- Basic literacy
- Academic upgrading
- English as a Second Language
- Pre-vocational Adult Special Education

The ABESAP program is given to students demonstrating a lack of financial resources. Upon acceptance into a programme an appointment with the Financial Aid Officer is required to complete an application to determine financial need.

## CANADA STUDY GRANTS PROGRAM

The Canada Study Grants (CSG) Program for High Need Part-time (HNPT) students is designed to assist single parents who are **unable** to meet the eligibility requirements of the full-time student loans programme. Students must be taking course(s) on a part-time basis in any post-secondary programme offered at CNC to be eligible for assistance. College and Career Preparation (formerly Adult Basic Education) courses are not eligible for funding from this Program. An appointment with the Financial Aid Officer is required.

**The procedures and policies for BCSAP, ABESAP or CSG are determined by the federal and provincial governments. The College of New Caledonia has no control**

of the policies or the upper limit of funds awarded.

## EMERGENCY LOANS

The College of New Caledonia offers limited emergency loan assistance to students encountering major unexpected expenses while attending school. It is assumed that the student has exhausted all other resources of financial assistance before coming to the Financial Aid and Student Awards Office. An application to and discussion with the Financial Aid Officer is required before any such assistance can be provided. Students are required to sign a promissory note, which is a commitment to repay the interest-free loan on or before a specified date agreeable to the College. A 24-hour waiting period is necessary for the processing of the loan. All arrangements for repayment of the loan must be made with the Financial Aid Officer and be approved by the Financial Services Department of the College.
